

Conference Notification

The 7th International Conference on Mechanical, Electric, and Industrial Engineering (MEIE2024) will be held in Yichang, China during May 21-23, 2024, which is organized by the College of Mechanical Engineering, Donghua University, China, co-organized by Chinese Institute for Quality Research, the School of Mechanical Engineering and Mechanics, Ningbo University, China, the Shanghai Society for Modern Design Theory and Methodology Research, and Shanghai Graphics Society. On behalf of the Organizing Committee, we warmly welcome you to participate in MEIE2024 technical discussions and accompanying programs in Yichang, China during May 21-23, 2024!

MEIE aims to provide an annual platform for experts and participants from academia and industry, through workshops, invited lectures, and oral and poster sessions, and to present research findings in the state-of-the-art areas of mechanical engineering, electric engineering, and industrial engineering.

Over the last 6 years, MEIE has been held in various locations, including in-person conferences in Hangzhou (2018 & 2019), an online conference for COVID-19 (2020), a hybrid event in Kunming (2021), an online conference (2022) and a hybrid event in Sanya (2023), attracted participants from more than 14 countries and regions including Sweden, Canada, the United States, Australia, Singapore, South Korea, and Malaysia. Published conference proceedings have been retrieved by EI Compendex and Scopus.
